Endoscopy Skills Day for practicing Endoscopists

January 22, 2012

**In conjunction with the Emergency Medicine for Rural Hospitals course
in Banff from January 20 - 22, 2012**

This course aims to advance the cognitive and technical skills of physicians who routinely perform endoscopy. Faculty (gastroenterologists, pathologists and family physicians) will use both lectures and small groups sessions, to facilitate interactive discussions on topics relevant to gastrointestinal medicine and endoscopy.

Co-directors:

Michael Kolber MD, CCFP and Clarence Wong MD, FRCPC ABG ABIM
