LE COLLÈGE DES
MÉDECINS DE FAMILLE
DU CANADA

Enhanced Surgical Skills for Family Practice

January 2016

What do we bring?

- The national certification Colleges create a national standard
- Established processes
 - Training requirements
 - Assessment
 - Accreditation
- A recognized collaboration of specialists
- Recognition of Medical Regulatory Authorities

Take Away

- Agreement to tasks for which various organizations and groups are responsible
- Collaborative agreement
- A recognized forum for further discussion
- Clear understanding of what our goal is

Thoughts on the Take Away

- Focus on the best interests of the patient
- CFPC and Royal College will work collaboratively in addressing this issue
- The process for CACs should be followed
- A national forum for discussion should be established
- This will be messy but it is new territory
