INTERIOR HEALTH OPPORTUNITIES

FAMILY PHYSICIAN: BC – Ashcroft. Ashcroft Hospital and Community Health Centre is a Level 1 Community Hospital with four emergency beds, 24 extended care beds, and one respite care. Ashcroft (population: 1,664) rests along the banks of the Thompson River, deep in the heart of British Columbia's desert country. The town is set amid a spectacular recreational environment where hiking, golfing, and fishing thrive. Remuneration is fee-for-service \$300-350,000+/-, plus rural retention incentives and on-call availability payment. Overhead is around 20% and the office has a fully integrated EMR. For more information email physicianrecruitment @interiorhealth.ca or online www.betterhere.ca

-RM-318

FAMILY PHYSICIAN: BC - Clearwater. Family physicians wanted to join the medical team in this beautiful community. Rural setting, relaxed pace of work, newer hospital, and an amazing provincial park as your backyard. Known for world-class recreation, enriched culture, and vibrant community life, Clearwater offers the balanced lifestyle you have been looking for. Enjoy working in a single group practice with electronic medical records, a modern acute care facility, and a 21-bed residential care facility. Payment structure is fee-for-service plus multiple incentives: The Rural Physicians for British Columbia incentive provides a one-time incentive payment of \$100,000 for a 3-year return of service; recruitment incentive \$20,000; retention fee premium 21.14%; retention flat fee \$18,482.40; and relocation reimbursement. For more information contact: email physicianrecruitment @interiorhealth.ca or view us online at our Web site www.betterhere.ca -RM-281a

FAMILY PHYSICIAN: BC - Lillooet. Five-physician, unopposed fee-for-service practice seeks sixth family physician with ER skills. Clinic group focus is on balance of work and lifestyle. Easy access to lower mainland, Whistler and interior of province. Call currently 1-in-5. Regular schedule includes one week off every fifth week. Full Rural Physician Recruitment and Retention benefits eligibility, including 38 days rural locum coverage for holidays. World-class wilderness at your doorstep for skiing, hiking, fishing, whitewater kayaking and mountain biking. Full service rural hospital with GP Surgeon and Anesthetist on staff. For more information email physicianrecruitment @interiorhealth.ca or view online at Web site www .betterhere.ca -RM-282b

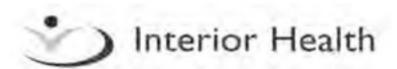

FAMILY PHYSICIAN: BC - Logan Lake is situated in the Heart of the Highland Valley; a pristine natural environment of mountains, lakes and forests. Logan Lake is a growing, progressive and family-oriented community. This is a full service family practice with acute care clinic coverage. We have a turnkey operation with Wolf EMR and no startup costs for a new physician. Also, only 60 km away is a tertiary level hospital, Royal Inland Hospital, Kamloops. Remuneration is fee-forservice \$300-500,000+/-, plus rural retention incentives and on-call availability payment. For more information email physicianrecruitment@interiorhealth.ca or view -RM-317 online www.betterhere.ca

FAMILY PHYSICIANS: BC - Merritt. Rolling hills, sparkling lakes and over 2,030 hours of sunshine every year make Merritt a haven for four-season outdoor recreation. We have a need for family physicians in their choice of clinic. Nicola Valley Hospital and Health Centre is a 24-hour Level 1 community hospital with a 24-hour Emergency Room. Also, only 86 km away is a tertiary level hospital, Royal Inland Hospital, Kamloops. Remuneration is fee-forservice \$250-\$450,000+, rural retention incentives and on-call availability payment. For more information email physicianrecruitment@interiorhealth.ca or view online www.betterhere.ca -RM-311

FAMILY PHYSICIANS: BC - Nelson. The city of Nelson is seeking family physicians for their vibrant, active community. There are both part-time and fulltime opportunities available in well-established clinics. With supportive colleagues to share the responsibilities of in-hospital patients, clinics operate with EMR systems, along with very efficient and friendly staff. Clinic physicians are very supportive to new colleagues establishing their practice and providing coverage for hospital inpatients. Specialist support is available at the local hospital, including internal medicine, ophthalmology, neurology and pediatrics, with additional services regionally. There is also the additional option of doing emergency room work and obstetric care. Room for growth! With its friendly people and scenic location among rivers, mountains, and lakes, the area offers a wide range of year-round outdoor recreational opportunities. Remuneration can be discussed when determining which clinic is a good match for you, plus multiple incentives: recruitment \$15,000; retention fee premium 11.62%; with a retention flat fee \$12,107.96. For more information email physicianrecruitment@interiorhealth.ca or view us online at our Web site www.betterhere.ca -RM-293

FAMILY PHYSICIANS: BC - Princeton. Family physicians wanted to join our dynamic team of four GPs and one NP for our busy clinic and hospital. We have a six-bed inpatient hospital with a 24 hour ER, which is attached to the Cascade Medical Centre providing full family practice services to a community population of 3,000 and a surrounding catchment population of approximately 6,000. Fee-for-service, \$250,000 to \$400,000, with excellent rural incentives and on-call availability payment. PART OF THE NOVARTIS COPD PORTFOLIO

- > FEV, improvement shown 5 minutes after first dose (0.093 L vs. placebo, p<0.001, serial spirometry)1.31
- > Significantly greater LS mean FEV₁ vs. placebo demonstrated at all time points over 24 hours (LS mean FEV₁ [L] vs. placebo after first dose, p<0.001; time points were 5 min, 15 min, 30 min, 1 hr, 2 hrs, 3 hrs, 4 hrs, 6 hrs, 8 hrs, 10 hrs, 12 hrs, 23 hrs 15 min, 23 hrs 45 min)^{4§}

<u>Indication & clinical use:</u>

SEEBRI® BREEZHALER® is indicated as a long-term once-daily maintenance bronchodilator treatment in patients with chronic obstructive pulmonary disease (COPD), including chronic bronchitis and emphysema.

- ▶ Not indicated for the relief of an acute deterioration of COPD
- ▶ Can be used at the recommended dose in elderly patients 65 years of age and older
- ▶ Should not be used in patients under 18 years of age

Relevant warnings and precautions:

- Not indicated for treatment of acute episodes of bronchospasm
- ▶ Not indicated for treatment of acutely deteriorating COPD
- ▶ Worsening of narrow-angle glaucoma
- ▶ Worsening of urinary retention
- In severe renal impairment, use only if the expected benefit outweighs the potential risk
- ▶ Paradoxical bronchospasm
