ENHANCED SURGICAL SKILLS PROGRAM

This one day course is designed for GPS/ESS Surgeons in conjunction with Emergency Medicine for Rural Hospitals course and the Endoscopy Skills Day for Practicing Endoscopists course. The program will update rural ESS surgeons with current methods, facilitate informal communication and encourage FP-Specialist networks within ESS services.

Pre Courses

1. RCC Advanced Minor Procedures – Small Skin Flaps, Complicated Wound Closure, and Tendon Repair
2. CNIS Structure Operative Obstetrics Instructors Course. Learn the skills to teach Cesarean Section in Africa to junior residents and to non physicians

Program Highlights

- Virtual Mentoring: Linking you shoulder to shoulder with your regional specialist. Live streaming demonstration
- Ask the Professor: Your surgical and OB questions answered
- Before you go Nuclear: All you should know, but don't, about electro cautery
- Opportunities and Training for Global Surgery and OB
- New Trauma mini fellowships

Faculty

Dr Nadine Caron, General Surgeon, Prince George, BC
Dr Marius Pienaar, OBGYN, Prince Rupert
Dr Neeraj Mehra, OBGYN, UBC
Dr Jan Christilaw, OBGYN, BC Womens Hospital
And others
