## **ARE YOU AN AUTHOR OR A RESEARCHER?**

Do you have an original research paper ready to submit?

Are you working on a research paper and looking to have it published?

Think of the Canadian Journal of Rural Medicine.

If you have a research paper archived, dust it off and send it in!

We welcome original research studies, case reports and literature reviews that have a rural medicine edge.  
(3500 words or less)

Submissions will be peer review for potential publication.

Learn more and find instructions online.

## **THE LISTSERV**

SRPC members are welcome to join at any time. The Listserv is a network of physicians in rural practice, allied healthcare providers, and academia interested in rural medicine. RURALMED has a Canadian focus, and its purpose is to support rural practitioners, whether they be rural GP/FPs or rural specialists, by providing a forum for discussion, debate, and the exchange of ideas and information.
