

National Advanced Skills and Training Program for Rural Practice

Optimizing rural care

First come-first served so apply now!

Are you a rural physician interested in advanced training?

The **Society of Rural Physicians of Canada** is funding training opportunities for practicing rural physicians including specialists, enabling physicians to meet the specific needs of rural, remote and Indigenous communities across Canada.

Examples of training to improve skills could include emergency medicine, general surgery, obstetrical care, addiction treatment, anesthesia, etc.

Rural physicians may receive funding for up to 30 days for:

- income stipend
- travel
- accommodation
- locum, preceptor, and overhead expenses
