Vanderhoof, British Columbia FP Anesthesia Locum Opportunity June 2023 Onward

We are looking for full OR coverage for the duration of your visit, including all elective/urgent/emergent surgeries including obstetrical analgesia (epidurals/intrathecal). This would also include after hours and weekend coverage. Our anesthesia service also provides critical care support to our ER colleagues and to the hospital. This includes but not limited to out-of-OR airway support to ER/hospital, resuscitations (adult/pediatric/neonatal) and trauma support.

A new Alternative Payment Plan Contract model was recently introduced with increased remuneration. Locum dates are flexible and open to discussion.
