I started exploring a new medium for my painting last year and have discovered a great passion for transforming wood, which runs deep in my family heritage; turning reclaimed lumber, mostly from the family farm and construction projects, into art and sharing my love for nature in my pieces.

ARE YOU AN AUTHOR OR A RESEARCHER?

Do you have an original research paper ready to submit?

Are you working on a research paper and looking to have it published?

Submit your piece to the Canadian Journal of Rural Medicine.

Send us your research papers that have been archived, dust them off and send them in!

We welcome original research studies, exciting case reports and literature reviews with a rural medicine edge. (3500 words or less)

Submissions will be peer-reviewed for potential publication.

RURAL LISTSERV

SRPC members are welcome to join at any time.

The Listserv is a network of physicians in rural practice, allied healthcare providers, and academia interested in rural medicine. RURALMED has a Canadian focus, and its purpose is to support rural practitioners, whether rural G.P./FPs or rural specialists, by providing a forum for discussion, debate, and the exchange of ideas and information.
