

Society of Rural Physicians of Canada  
27TH ANNUAL RURAL AND REMOTE MEDICINE COURSE  
Halifax Nova Scotia • Halifax Convention Centre  
APRIL 4 - 6, 2019

Dr. Dale Dewar

## SESSION 265

# The Medical Response to Nuclear War

1. Learn the extent of damage expected from the detonation of a single nuclear weapon.
2. Appreciate the gravity of ionizing radiation and understand the steps to decontamination.
3. Understand the current status of nuclear weapons and understand or participate with other physicians how to prevent their use.
