

Society of Rural Physicians of Canada
27TH ANNUAL RURAL AND REMOTE MEDICINE COURSE
Halifax Nova Scotia • Halifax Convention Centre
APRIL 4 - 6, 2019

SESSION 331

Oral Research Presentations - Focus on the Patient

Projects examining the social aspects and consequences of rural research.

1. Patient-oriented research for rural and remote public health practice: What does the last ten years of scholarship offer for treating "communities as patients"?
2. "People make it happen" A collaborative narrative inquiry into palliative care in Northern BC.
