

Society of Rural Physicians of Canada
27TH ANNUAL RURAL AND REMOTE MEDICINE COURSE
Halifax Nova Scotia • Halifax Convention Centre
APRIL 4 - 6, 2019

Dr. Olga Ward

SESSION 383

Aussie Skin Cancers and Other Conditions

Lots of pictures, some quizzes and a bit of a chat in an antipodean accent. You might glean some hot tips about managing skin cancers and doing surgery as an Australian GP. Or you might just have a bit of dermatology revision. Or you might just decide to come and look at the photos until cocktail o'clock.

To share some yarns about Aussie farmers and how the sun is paying for my retirement.
