27TH ANNUAL RURAL AND REMOTE MEDICINE COURSE
Halifax Nova Scotia • Halifax Convention Centre
APRIL 4 - 6, 2019

Dr. John Soles

SESSION 392

Rural Critical Care - Chest Tube Insertion (Repeat)

Participants will learn how to place chest tubes using Seldinger technique. There will be opportunity to practice this technique.

1. To list the indications for closed chest drainage.
2. To recognize when Seldinger technique is appropriate.
3. To demonstrate the technique in a model.
4. To gain better interpretation of the use of 'underwater' drainage systems.
