### PROCEDURAL SEDATION IN THE RURAL ED

Rural doctors are often challenged to handle both the procedural and sedation elements of care in under-serviced rural emergency rooms. This talk will focus on the common pharmacological agents, principles of monitoring, planning, and follow up care of patients requiring procedural sedation in the rural ED.

1. Explain various policies on procedural sedation 2. Discuss pharmacology of sedatives/analgesics 3. Explain need and use of reversal agents 4. Discuss monitoring devices and requirements 5. Explore unique aspects of ED sedation Case based discussion
